Accessories for RL 60R, RL 60LR and RL 61R/S

WAC 40

Connect the WAC 40 to your dehumidifier when wet air cannot be ducted out

- Wet air condenser.
- No heat loss. All heat from the drying process remains in the room.
- Electric supply and control from the dehumidifier.
- Easily removable heat exchanger for maintenance.
- Quick and simple installation.
- Options:
  - Duct connections with balance damper between dehumidifier and WAC
